ATVs can be hazardous to operate. For your safety always wear an approved helmet, eye protection, and protective clothing. Never engage in stunt driving; riding and alcohol/drugs don't mix and could cause serious injury or even death. Avoid excessive speeds and be particularly careful on difficult terrain. Arctic Cat recommends that all riders read and understand their operator's manual before operation. Along with concerned conservationists everywhere, Arctic Cat urges you to "Tread Lightly" on public and private lands. Ride only on designated areas or trails. Preserve your future riding opportunities by showing respect for the environment, local laws, and the rights of others when riding. Do not shoot from or lean firearms or bows against the ATV. Never carry a passenger on a single-rider ATV. Only ride an ATV that is right for your age. Supervise riders younger than 16. ATVs are only recommended for users over 12 years old. Arctic Cat recommends that all riders take a training course. For safety or training information in the U.S., call the ATV Safety Institute at (800) 887-2887. In Canada, call the Canada Safety Council (613) 739-1535 or see your dealer. ®, ™ are trademarks or registered trademarks of Arctic Cat Inc. ©2010 Arctic Cat Sales Inc., Thief River Falls, MN 56701.
